Subject: Certification for The Provision of Services under **R028 'Supporting Rural Livelihood for Sustainable Development in Khyber & Orakzai'**

Dear Saleem Ahmad

On behalf of the International Organization For Migration (IOM) Community Resilience Activity - North (CRA-North) Project, it is my pleasure to certify that the **HUJRA Village Support Organization** was engaged under our Resilience Activity Award titled **R028: 'Supporting Rural Livelihood for Sustainable Development in Khyber & Orakzai';** which was implemented from **April 1- July 15, 2022**, within Khyber and Orakzai Districts.

During this period, HUJRA provided programmatic services as an independent service provider and in accordance with the terms of the award granted by IOM Community Resilience Activity - North. We confirm that the services provided were in line with the objectives under the award and were accepted by CRA-North. The below-mentioned services were provided by HUJRA.

1. Training on Potato Harvesting Techniques
2. Training on Enhancing Market Value of Fresh Potato through Improved Post-Harvest Handling
3. Training on Enhancing Market Value of Fresh Potato through Improved Post-Harvest Handling for females.
4. Training on Walnut Harvesting Techniques
5. Training on Walnut Post-harvest Management
6. Training on Walnut Post-harvest Management for Females
7. Training on Propagation Techniques
8. Exposure Visit/Market Linkages
9. Provision of Toolkits

This certification does not provide any guarantee or warranty for the quality of services provided by HUJRA during the mentioned period or relate to any other services or performances provided by the service provider. Nothing within this certification for the provision of services affects the privileges and immunities of IOM as an intergovernmental organization.
