Project Performance Certificate

Islamabad
02nd July 2014

To Whom It May Concern

Malteser International is pleased to certify the satisfactory work, Hujra performed for the assigned and implemented project

"Increasing Resilience: Reducing Vulnerabilities and Strengthening Coping Capacities in Disaster-prone Communities of Khyber Pakhtunkhwa Province"

funded by the German Government.

The total amount of funds managed was 135,652 Euros.
Project period from 15th Aug 2012 - 14th Aug 2013.

Hujra provided comprehensive narrative and financial reports always in line with the signed agreement and handed-over all required documents to Malteser International after the end of the project.
