**To whom it may Concern**

This is to certify that Holistic Understanding for Justified Research and Action (HUUJA) is a member of REAT Network since its inception. HUUJA was awarded a two years grant under The Asia Foundation Human Rights Fund- III (HRF-III) in June 2014 for implementing the HRF-III project and the goal of the project is to increase the protection and promotion of rights of expression, assembly, association and thought (REAT) including religious freedoms in Pakistan, especially at the provincial level and in targeted districts where rights are most at risk. REAT freedoms are enshrined in the International Covenant on Civil and Political Rights (ICCPR, Articles 18-22), ratified by Pakistan on 23 June 2010.

So far the performance of HUUJA under Human Right Fund III is satisfactory.

We wish them all the best in their future endeavors.
